Newark, NJ

PROJECT NAME

Malcolm X Shabazz High School
Gymnasium Entrance

PROJECT OWNER/ CLIENT

Newark Public Schools (NPS)
Office of Design and Construction
2 Cedar Street, Suit 805
Newark, NJ 07102

CONSTRUCTION COST

\$650,000: Fee \$85,000

PROJECT SERVICES

Architectural
Structural and Electrical
Construction Administration

PROJECT DESCRIPTION

The project involves approximately 6,000 square feet of exterior concrete sidewalk and lighting design as well as 1,000 square feet of building alterations and renovations.

The building alterations and renovations included the addition of a new gymnasium lobby. The lobby was designed to increase security and provide a formal ticketing and security office. The existing lobby was redesigned to include a concession and athletic furniture. The exterior of the entrance is designed to increase the overall building character and mark the entrance as the "Home of the Bulldogs."
